Fidalgo Island Packing Co.,
Anacortes, Washington.

Gentlemen:

Your report of fisheries operations in the season of 1917 at Ketchikan, Alaska, shows the purchase of 251,238 fish. The office wishes to know the number of salmon of each species that you purchased, and from whom. Your attention is also called to an error in the addition of the number of humpback salmon shown on this report. You have stated that 759,364 humpback salmon were taken, but according to the figures the total should have been 659,364. Your prompt attention to this matter will be appreciated.

Very truly yours,

H. F. Moore.

Acting Commissioner.
